नोट

- (I) कृपया जाँच कर लें कि इस प्रश्न-पत्र में मुद्रित पृष्ठ **23** हैं।
- (II) प्रश्न-पत्र में दाहिने हाथ की ओर दिए गए प्रश्न-पत्र कोड को परीक्षार्थी उत्तर-पुस्तिका के मुख-पृष्ठ पर लिखें।
- (III) कृपया जाँच कर लें कि इस प्रश्न-पत्र में **34** प्रश्न हैं।
- (IV) कृपया प्रश्न का उत्तर लिखना शुरू करने से पहले, उत्तर-पुस्तिका में यथा स्थान पर प्रश्न का क्रमांक अवश्य लिखें।
- (V) इस प्रश्न-पत्र को पढ़ने के लिए 15 मिनट का समय दिया गया है। प्रश्न-पत्र का वितरण पूर्वाह्न में 10.15 बजे किया जाएगा। 10.15 बजे से 10.30 बजे तक परीक्षार्थी केवल प्रश्न-पत्र को पढ़ेंगे और इस अवधि के दौरान वे उत्तर-पुस्तिका पर कोई उत्तर नहीं लिखेंगे।

प्रश्न-पत्र कोड **58/4/3**
Q.P. Code

परीक्षार्थी प्रश्न-पत्र कोड को उत्तर-पुस्तिका के मुख-पृष्ठ पर अवश्य लिखें।
Candidates must write the Q.P. Code on the title page of the answer-book.

NOTE

- (I) Please check that this question paper contains **23** printed pages.
- (II) Q.P. Code given on the right hand side of the question paper should be written on the title page of the answer-book by the candidate.
- (III) Please check that this question paper contains **34** questions.
- (IV) Please write down the Serial Number of the question in the answer-book at the given place before attempting it.
- (V) 15 minute time has been allotted to read this question paper. The question paper will be distributed at 10.15 a.m. From 10.15 a.m. to 10.30 a.m., the candidates will read the question paper only and will not write any answer on the answer-book during this period.

ECONOMICS

निर्धारित समय : 3 घण्टे

Time allowed : 3 hours

अधिकतम अंक : 80

Maximum Marks : 80

• • •

General Instructions :

Read the following instructions carefully and follow them :

(i) *This question paper contains **34** questions. **All** questions are **compulsory**.*

(ii) *This question paper contains **two** sections :*

Section A – Macro Economics

Section B – Indian Economic Development

(iii) *This question paper contains **20** Multiple Choice type questions. Each question carries **1** mark.*

(iv) *This question paper contains **4** Short Answer Type-I questions. Each question carries **3** marks. Answer these questions in 60 to 80 words.*

(v) *This question paper contains **6** Short Answer Type-II questions. Each question carries **4** marks. Answer these questions in 80 to 100 words.*

(vi) *This question paper contains **4** Long Answer type questions. Each question carries **6** marks. Answer these questions in 100 to 150 words.*

(vii) *Attempt **all** parts of a question together.*

(viii) *In addition to this, note that a separate question has been provided for Visually Impaired candidates in lieu of questions having visual inputs, map etc. Such questions are to be attempted by Visually Impaired candidates only.*

(ix) *There is no overall choice in the question paper. However, an internal choice has been provided in few questions. Only one of the choices in such questions has to be attempted.*

SECTION A **Macro Economics**

1. Under the Keynesian theory, 'Reference Line' is a straight line passing through the origin drawn at an angle of _____.

(Choose the correct option to fill in the blank) 1

(A) 25°

(B) 40°

(C) 45°

(D) 70°

...

2. Read the following statements carefully : 1
- Statement 1* : Marginal Propensity to Consume (MPC) refers to the consumption per unit of income.
- Statement 2* : As the income increases, the proportionate increase in the level of consumption is always more than the increase in the level of income.
- In the light of the given statements, choose the correct option from the following :
- (A) Statement 1 is true and Statement 2 is false.
(B) Statement 1 is false and Statement 2 is true.
(C) Both Statements 1 and 2 are true.
(D) Both Statements 1 and 2 are false.
3. The main objective of measuring the primary deficit is to highlight present _____. 1
- (Choose the correct option to fill in the blank)
- (A) fiscal imbalances (B) fiscal balances
(C) recovery of loans (D) cash grant-in-aid
4. Read the following statements carefully : 1
- Statement 1* : Import of heavy machinery from Japan is a source of demand for foreign exchange.
- Statement 2* : Financial aid by International Bank for Reconstruction and Development (IBRD) for landslide in Wayanad (Kerala) is a source of supply of foreign exchange.
- In the light of the given statements, choose the correct option from the following :
- (A) Statement 1 is true and Statement 2 is false.
(B) Statement 1 is false and Statement 2 is true.
(C) Both Statements 1 and 2 are true.
(D) Both Statements 1 and 2 are false.
5. In a two-sector economy, the Aggregate Demand can be determined by adding _____ and _____. 1
- (Choose the correct option to fill in the blanks)
- (A) consumption, investments (B) investments, savings
(C) consumption, savings (D) savings, exports

• • •

6. Read the following statements carefully : 1
Statement 1 : The government may reduce the repo rate, to control deflationary gap prevailing in the economy.
Statement 2 : The government may reduce the deflationary gap, by selling off government securities (G-Sec) in the open market.
In the light of the given statements, choose the correct option from the following :
(A) Statement 1 is true and Statement 2 is false.
(B) Statement 1 is false and Statement 2 is true.
(C) Both Statements 1 and 2 are true.
(D) Both Statements 1 and 2 are false.
7. To arrive at the value of Gross Value Added at Factor Cost (GVA_{FC}), _____ must be _____ to/from Gross Value Added at Market Price (GVA_{MP}). (Choose the correct option to fill in the blanks) 1
(A) depreciation, added
(B) depreciation, subtracted
(C) Net Indirect Taxes, added
(D) Net Indirect Taxes, subtracted
8. Read the following statements carefully : 1
Statement 1 : Public goods are those goods for which the payments are made by all the entities in the country.
Statement 2 : Private goods are those goods which are provided by the government of a country at subsidised rates.
In the light of the given statements, choose the correct option from the following :
(A) Statement 1 is true and Statement 2 is false.
(B) Statement 1 is false and Statement 2 is true.
(C) Both Statements 1 and 2 are true.
(D) Both Statements 1 and 2 are false.
9. Under the _____ Exchange Rate System, the Central Bank can control the foreign exchange rate in a range bound manner. (Choose the correct option to fill in the blank) 1
(A) Fixed
(B) Flexible
(C) Managed floating
(D) Gold standard

...

10. Read the following statements – Assertion (A) and Reason (R).
Choose the correct alternative from the options given below : 1

Assertion (A) : Direct taxes are imposed on income/profits of individuals/companies.

Reason (R) : The burden of payment of direct taxes cannot be shifted to any other entity.

Options :

- (A) Both Assertion (A) and Reason (R) are true and Reason (R) is the correct explanation of Assertion (A).
- (B) Both Assertion (A) and Reason (R) are true, but Reason (R) is **not** the correct explanation of Assertion (A).
- (C) Assertion (A) is true, but Reason (R) is false.
- (D) Assertion (A) is false, but Reason (R) is true.
11. “Taxation is an effective tool to reduce the inequalities of income.” 3
Justify the given statement with valid reasons.
12. (a) Explain any two precautions pertaining to the Value Added Method of Estimation of National Income in a country. 3

OR

- (b) On the basis of the following hypothetical data : 3

(in ₹ crore)

<i>Year</i>	<i>Nominal GDP</i>	<i>Nominal GDP (adjusted to base year prices)</i>
2020 – 21	3,000	5,000
2022 – 23	4,000	6,000

Calculate the percentage change in Real Gross Domestic Product (GDP) in the year 2022 – 23 using 2020 – 21 as the base year.

13. (a) Elaborate any two components of the Capital Account under the Balance of Payments Account. 4

OR

- (b) Distinguish between Autonomous transactions and Accommodating transactions. 4

• • •

14. Read the following text carefully :

According to a report issued by a research organisation, there is a sharp decline in the overall demand in the economy, particularly in the private consumption segment. This dip in the macro economic variables, highlights the urgent need for strategic actions to stimulate economic activities.

On the basis of the given text and common understanding, explain the measure which the government may take to solve the indicated problem. 4

15. Assuming the following for a hypothetical economy, estimate the level of Break-even Income and Equilibrium Income : 4

- (i) Autonomous Consumption Expenditure ($\bar{c}$) = ₹ 50 crore
- (ii) Marginal Propensity to Save (MPS) = 0.2
- (iii) Autonomous Investments (I_0) = ₹ 300 crore

16. (a) (i) On the basis of the following data, estimate the value of Net Domestic Product (NDP_{FC}) : 4

S.No.	Items	Amount (in ₹ Crore)
(i)	Household Consumption Expenditure	800
(ii)	Gross Business Fixed Capital Formation	150
(iii)	Gross Residential Construction Investment	120
(iv)	Government Final Consumption Expenditure	270
(v)	Excess of Imports over Exports	20
(vi)	Inventory Investments	50
(vii)	Gross Public Investments	130
(viii)	Net Indirect Taxes	20
(ix)	Net Factor Income from Abroad	(-) 25
(x)	Consumption of Fixed Capital	40

- (ii) “Disposition phase of circular flow of income involves flow of factor income from firms to households.”

Justify the statement giving valid reason. 2

OR

- (b) (i) Suppose there are only three firms in an imaginary economy, viz. X, Y and Z. During a year, the following transactions took place in the economy :

(I) Firm X sold goods worth ₹ 20,000 to Firm Y and ₹ 12,000 to Firm Z.

(II) Firm Y sold goods worth ₹ 11,000 to Firm X and ₹ 35,000 to Firm Z.

(III) Firm Z sold goods worth ₹ 57,000 to households for final consumption.

On the basis of the given transactions, calculate the value of Gross Domestic Product at Market Price (GDP_{MP}) in the economy.

4

- (ii) Discuss the likely impact of construction of 20 new hospitals in a country on the Gross Domestic Product (GDP) and Welfare in the economy.

2

17. (a) Elaborate the process of Credit Creation using a suitable numerical example.

4

- (b) Read the following text carefully :

“This function of money provides different items to be evaluated against a common standard. It allows comparison of prices and keeping financial records.”

- (i) On the basis of the given text, identify the indicated function of money.

1

- (ii) List any other two functions of money.

1

...

SECTION B

Indian Economic Development

18. Identify, which of the following does **not** indicate the similarities in the policies of India and Pakistan in the post 1947 period. 1
- (A) Dual pricing policy (B) Green revolution
(C) Import substitution (D) Mixed economic system
19. Identify, which of the following statements is **incorrect** about the Rural Banking system in India. (Choose the correct option) 1
- (A) In the post-independence period, a well-structured Rural Banking system was formulated in India.
(B) Rural Banking system in India consists of a set of multi-agency institutions.
(C) Regional Rural Banks, Cooperative and Land Development Banks are few important components of Rural Banking system in India.
(D) Rural Banking system in India works under the guidance, instruction and supervision of the State Bank of India.
20. In the post-independence era, the policy makers of India pushed for 'self-reliance' for the first _____ Five Year Plans. (Choose the correct option to fill in the blank) 1
- (A) 8
(B) 7
(C) 6
(D) 5
21. Production of diverse varieties of crops rather than one specialized crop is known as diversification of _____. (Choose the correct option to fill in the blank) 1
- (A) crops
(B) agricultural production
(C) sectoral composition
(D) employment

• • •

22. Identify, which of the following statements is **incorrect** about the functions of environment. (Choose the correct option) 1

- (A) Provides resources
- (B) Absorbs wastage
- (C) Sustains life
- (D) Deteriorates quality of life

23. Read the following statements carefully : 1

Statement 1 : The Food Corporation of India maintains buffer stocks of wheat and rice as a measure to improve market mechanism.

Statement 2 : Minimum Support Price (MSP) is imposed by the government to safeguard the interest of farmers.

In the light of the given statements, choose the correct option from the following :

- (A) Statement 1 is true and Statement 2 is false.
- (B) Statement 1 is false and Statement 2 is true.
- (C) Both Statements 1 and 2 are true.
- (D) Both Statements 1 and 2 are false.

24. Suppose an economy is experiencing a situation of rise in Real Gross Domestic Product (GDP), without any corresponding rise in the employment opportunities.

In economic parlance, such a situation is termed as _____ growth.

(Choose the correct option to fill in the blank) 1

- (A) casual
- (B) informal
- (C) formal
- (D) jobless

...

25. Read the following statements – Assertion (A) and Reason (R). Choose the correct alternative from the options given below : 1

Assertion (A) : Excessive regulation of permit license raj prevented certain private firms from becoming more efficient.

Reason (R) : Private sector wasted a significant time in obtaining licenses rather than enhancing product quality and international competitiveness.

Options :

- (A) Both Assertion (A) and Reason (R) are true and Reason (R) is the correct explanation of Assertion (A).
 - (B) Both Assertion (A) and Reason (R) are true, but Reason (R) is **not** the correct explanation of Assertion (A).
 - (C) Assertion (A) is true, but Reason (R) is false.
 - (D) Assertion (A) is false, but Reason (R) is true.
26. Read the following statements carefully : 1

Statement 1 : The British policies were accountable for commercialisation of Indian agriculture.

Statement 2 : In the larger interest of Indians, the British rulers focused on the infrastructural growth of India.

In the light of the given statements, choose the correct option from the following :

- (A) Statement 1 is true and Statement 2 is false.
 - (B) Statement 1 is false and Statement 2 is true.
 - (C) Both Statements 1 and 2 are true.
 - (D) Both Statements 1 and 2 are false.
27. Read the following statements – Assertion (A) and Reason (R). Choose the correct alternative from the options given below : 1

Assertion (A) : Information plays a crucial role in judicious decision-making about investing in human capital.

Reason (R) : Individuals invest to acquire information about the labour market and other areas such as education and healthcare.

Options :

- (A) Both Assertion (A) and Reason (R) are true and Reason (R) is the correct explanation of Assertion (A).
- (B) Both Assertion (A) and Reason (R) are true, but Reason (R) is **not** the correct explanation of Assertion (A).
- (C) Assertion (A) is true, but Reason (R) is false.
- (D) Assertion (A) is false, but Reason (R) is true.

• • •

28. Elaborate the reasons responsible for emergence of poverty in Pakistan. 3

29. (a) “Under the British rule, India underwent systematic economic exploitation with its resources and wealth being diverted to Britain.”

Justify the given statement with valid explanation. 3

OR

(b) Appraise the Navratan policy adopted by the Government of India in the reforms of 1991. 3

30. Read the given text carefully and answer the following questions :

In response to the problem of rapidly rising population, China introduced the ‘One Child Policy’. The policy restricted couples to having only one child. This policy helped China to limit the population growth.

This policy led to significant consequences, such as an increase ageing population, gender imbalances due to male child preference and social challenges for single children, etc.

This policy was relaxed in 2015, allowing all couples to have two children and further relaxed to three children in 2021.

Overall, while the One Child Policy achieved its primary goal of controlling population growth, it also created a complex set of demographic and social challenges that China continues to address today.

(a) Explain the consequences of implementation of the One Child Policy in China. 3

(b) State any one reason for the implementation of the One Child Policy in China. 1

31. (a) (i) Distinguish between human capital and physical capital. 2

(ii) Describe ‘LPG’ and ‘Gobar Gas’ as strategies used to achieve sustainable development in rural areas. 2

OR

(b) (i) Critically appraise the micro-credit programmes in rural India. 3

(ii) State the meaning of sustainable development. 1

• • •

- 32.** State and elaborate whether the following statements are true/false, with valid arguments :
- (a) Organic farming offers a means to substitute costlier agricultural inputs with locally produced organic inputs. 2
 - (b) Informalisation of workforce in India, has increased various concerns on the front of employment generation among the youth of the country. 2
- 33.** (a) (i) “Indian economy has hugely benefitted by the disinvestment policy adopted by the Government of India in the post 1991 period.” 4
Defend or refute the given statement with valid arguments.
(ii) Distinguish between Tariffs and Quotas. 2
- OR**
- (b) (i) Discuss briefly the financial sector reforms undertaken by the Government of India in the post 1991 period. 4
 - (ii) Distinguish between Multilateral Trade and Bilateral Trade. 2
- 34.** Read the following text carefully :
- Indian labour market indicators have improved in the last six years, as per the Periodic Labour Force Survey Data. The unemployment rate has fallen to 3.2% in 2022 – 23. Rising youth and female participation in the workforce present an opportunity to tap the demographic and gender dividend. The factory employment data exhibits the bounce back of the organised manufacturing sector in FY 2022 – 23 with rise in employment and the upscaling of factories.
- The net payroll additions under EPFO have more than doubled in the past five years, signalling healthy growth in formal employment.
- To generate and sustain quality employment, agro-processing and care economy are two promising candidates.
- On the basis of the given text and common understanding, answer the following questions :
- (a) State any one significance of rising youth and female participation in the Indian workforce. 1
 - (b) Identify any two sectors which may be highlighted as promising for generating quality employment in India. 2
 - (c) Elaborate the meaning of disguised unemployment with the help of a suitable example. 3
