- (ii) “Problem of Double Counting leads to overestimation of output in an economy.”
Justify the given statement with the help of suitable example. 3

17. Read the following text carefully :

The Union Budget 2025-26 introduces a series of measures aimed at strengthening the Micro, Small and Medium Enterprises (MSME) sector. It recognises the role of MSMEs as one of the key engines in India’s journey of development, along with agriculture, investment and exports.

As a vital contributor to India’s industrial landscape, the MSME sector plays a crucial role in manufacturing sector, exports and employment generation.

The new budgetary provisions aim to build on this strong foundation by fostering innovation, enhancing competitiveness and ensuring better access to resources.

Furthermore, the Government’s ongoing initiatives like Udyam registration portal, PM Vishwakarma, PMEGP, SFURTI, and the Public Procurement Policy continue to demonstrate a combined effort towards integrating and empowering MSMEs.

On the basis of given text and common understanding, answer the following questions :

- (a) “MSMEs play a pivotal role in the India’s journey of development
Do you agree with the given statement ?” Give valid reason in support of your answer. 3
- (b) Explain key measures initiated by the Government for strengthening MSMEs. 3

...

SECTION B

Indian Economic Development

18. Identify, which of the following is **not** a feature of physical capital. 1
(Choose the correct option)
- (i) Tangibility

3

3

OR

- (b) (i) “China used the tool of Special Economic Zones for its economic development very effectively.”

Justify the given statement with valid explanation.

3

- (ii) Mention and discuss any two indicators of human development, where China has performed well.

3

34. Read the following text carefully :

The National-Level Multi-State Cooperative Society recently approved by the Union Cabinet for promoting organic production and exports, will help the farmers to increase their income manifold.

The arrangements for testing of land and selection of natural form of products will be set up in each district in the coming five years.

Government has also decided to setup a cooperative society in all Panchayats, which will ensure that the Central Government's schemes reach the farmers.

Wide use of urea has spoiled farm land, and lakhs of farmers have moved towards organic farming.

To get better prices, there is a need for marketing and certification of such produce. Furthermore, steps must be taken to ensure that fake organic products do not hit the market.

On the basis of given text and common understanding, answer the following questions :

- | | | |
|-----|--|---|
| (a) | Define organic farming. | 1 |
| (b) | State any two benefits of organic farming. | 2 |
| (c) | Explain the steps taken by the government to promote organic products. | 3 |
